

APPLICATION CHECKLIST

LETTER OF PUBLIC CONVENIENCE AND NECESSITY

City of Citrus Heights Municipal Code, Chapter 4.60, provides a process for applicants seeking a license from the Alcoholic Beverage Control Board (ABC) to sell alcoholic beverages within the City of Citrus Heights, and whose sales location is located within a census tract designated by ABC to be over concentrated or of high crime. This designation is made by ABC, not the City of Citrus Heights. Should your facility be located within such a census tract, ABC is *required by state law to deny your application unless you obtain a letter of public convenience and necessity (LPC)*.

City of Citrus Heights has adopted a process for issuing LPC letters which involves a public hearing before the City Council, with notice and opportunity to be heard given to interested persons. The following information is required to process a LPC.

Businesses proposing to sell alcoholic beverages receive special attention from the City because of their potential to create problems, such as littering, loitering, public intoxication and disturbances. For this reason, business selling alcohol must comply with Zoning Code Section 106.42.020.
